10 public bodies when their requests pertain to their legislative duties.  
11

- 12                   1. Records shall be furnished at the lowest possible cost to the person  
13 requesting the records while ensuring that the requestor pays for the

- 16                   2. When appropriate, records may be furnished without charge or at a

- 20                   3. Fees may not be charged for examination and review to determine if  
21 the documents are subject to disclosure.
- 22                   4. Nothing in this sub-section prevents a public body from charging a

25 for or making copies of the records.  
26

27                   D. Upon the receipt of a written request for access to records, the public body  
28 shall respond to the request within twenty (20) business days by doing the following:

- 36                   3. Granting the request for access in part and issuing a written notice

41 date of the request denial;

7 subsection shall be deemed to be a denial of the request.  
8

9 E. A public body is not required to create a record in response to a request.  
10 However, upon request, a public body shall provide a record in a particular format if the  
11 public body is able to do so without unreasonably interfering with the public body's  
12 duties and responsibilities.  
13

14 F. Nothing in this subsection requires a public body to fulfill a person's  
15 request if the request exceeds two prior requests for the same records from that person.  
16

17 G. Each public body shall keep a copy of written request for public records on  
18 file for no less than one (1) year.  
19
